

abu-simbel-aswan-2-days-from-luxor

Philae, a Nubian village and Abu Simbel at dawn - all from your Luxor hotel

From: 380 USD per person

Overview

A short, focused escape from Luxor for travelers who want to see Aswan and Abu Simbel without adding a full extra week to their trip. Day one takes you to Aswan for the Temple of Philae and a felucca ride to a Nubian village; day two is an early start to Abu Simbel's two colossal rock temples before returning to Luxor. Unlike most packages, entrance fees to every site on this itinerary are already included in the price, along with lunch both days.

One night is spent in a boutique guesthouse in Aswan - modest outside, comfortable and characterful inside - with your private Egyptologist guide alongside you the whole way.
