

cairo-alexandria-suez-7-days

A deep, unhurried week in Cairo, with day trips to Alexandria and Suez

From: 1150 USD per person

Overview

Rather than moving south to Luxor or Aswan, this itinerary stays based in Cairo for all 6 nights and goes wide instead of far - covering the Grand Egyptian Museum, Saqqara and Dahshur's pyramid fields, Old Cairo's churches, and day trips out to Alexandria on the Mediterranean and the Suez Canal. It suits travelers who've already done the Nile south and want to explore Egypt's north and Cairo's lesser-visited corners in depth.

Every night is spent in a boutique guesthouse in Cairo - modest outside, comfortable and characterful inside - with an English-speaking Egyptologist guide leading each day.
