

cairo-holiday-4-days

Three full days of Cairo's ancient wonders, at an easy pace

From: 455 USD per person

Overview

A relaxed Cairo-only holiday for travelers who want more breathing room than a weekend but aren't continuing south to Luxor or Aswan. Beyond the Giza Plateau, this itinerary reaches back further into Egypt's history at Saqqara and Memphis, then spends a day on Cairo's cultural side: the Egyptian Museum, the Citadel and Old Cairo.

Every night is spent in a boutique guesthouse - modest outside, comfortable and characterful inside, with home-cooked meals - and a private Egyptologist guide with you throughout.
