History and the Red Sea, entirely at the 5-star level

From: 3445 USD per person

Overview

Our top-tier history-and-relaxation combination: 5-star hotels and resorts throughout, domestic flights linking every city so no day is lost to overland transfers, and three full nights all-inclusive in Hurghada with snorkeling and a desert safari built in rather than sold as extras. Group size is capped at 10 travelers.

A private Egyptologist guide accompanies every excursion from Cairo through Abu Simbel and Luxor, handing you off to your beachfront resort for the Red Sea half of the trip.
