Egypt at the top end - a 5-star Nile cruise and a private Alexandria day

From: 2986 USD per person

Overview

This is our premium take on the classic Egypt circuit: 5-star boutique properties in Cairo, three nights aboard a 5-star Nile cruise between Aswan and Luxor, and a full private day trip to Alexandria on the way home - all connected by domestic flights rather than trains or coaches. Group size is capped at 10 travelers to keep the experience genuinely small-scale.

A private Egyptologist guide travels with you throughout, and optional add-ons - Abu Simbel, a Nubian village visit, or a hot air balloon over Luxor - can be arranged for an extra cost if you'd like to extend the trip further.
