Cairo, the Mediterranean and the Nile - Egypt's north and south, both in full

From: 1605 USD per person

Overview

Unlike most of our packages, this itinerary opens with a full day in Alexandria before heading south, giving equal weight to Egypt's Mediterranean coast and its Nile Valley. After Cairo and Alexandria, a flight to Aswan begins a 3-night Nile cruise to Luxor, with a hot air balloon ride over the West Bank included before flying back to Cairo for a final cultural day.

Nights on land are spent in boutique guesthouses in Cairo - modest outside, comfortable and characterful inside - with a private Egyptologist guide throughout.
