

cairo-sharm-el-sheikh-7-days

Two days of pyramids, then four nights soft all-inclusive on the Red Sea

From: 1160 USD per person

Overview

A straightforward split trip: two days covering Cairo's essentials, then a short flight to Sharm El Sheikh for four nights at a soft all-inclusive Red Sea resort. Unlike most of our packages, entrance fees to every site in Cairo are already included in the price, and the Sharm days are left open for you to add on Ras Mohammed snorkeling, a desert safari, or a luxury yacht cruise as you like.

One night in Cairo is spent in a boutique guesthouse - modest outside, comfortable and characterful inside - before an English-speaking guide hands you off to your resort in Sharm.
