Pyramids, Abu Simbel, a Nile cruise and the Red Sea - Egypt's full set in nine days

From: 1155 USD per person

## Overview

This 9-day private journey strings together the experiences every first-time visitor to Egypt hopes for: the Great Pyramids of Giza, the colossal rock temples of Abu Simbel, three nights sailing the Nile, and a Red Sea finish in Hurghada. You travel between cities the real way Egyptians do - an overnight sleeper train to Aswan, a coach back from Hurghada - rather than a string of short flights.

Every night on land is spent in a small, family-run boutique guesthouse rather than an anonymous chain hotel - simply furnished on the outside, quietly luxurious inside, and serving genuine home-cooked Egyptian food instead of buffet-line trays. A private Egyptologist guide and driver stay with your group throughout, with a group size capped at 12 travelers so the pace stays personal.
