Beach first, then history - a 5-star Nile cruise with Abu Simbel to close

From: 3170 USD per person

Overview

This luxury itinerary flips the usual order: Red Sea relaxation comes first, with three all-inclusive nights in Hurghada and a desert safari and scuba diving day both included, before the trip shifts to history with a 4-night 5-star Nile cruise from Luxor to Aswan and an Abu Simbel excursion. A hot air balloon ride over Luxor's West Bank is included as well. Group size is capped at 10 travelers.

Domestic flights connect Cairo, Hurghada and the cruise leg, with a private Egyptologist guide accompanying every excursion.
