The whole of Egypt in one trip - Cairo, Alexandria, the Nile and the Red Sea

From: 1808 USD per person

Overview

For travelers making a single big trip to Egypt rather than returning multiple times, this 12-day itinerary is our most complete: Cairo's monuments and museums, a full day in Alexandria, a 3-night Nile cruise with Abu Simbel included, both banks of Luxor, and three closing nights in Hurghada with a desert safari.

Nights on land are spent in boutique guesthouses in Cairo and Hurghada - modest outside, comfortable and characterful inside - with a private Egyptologist guide and driver throughout, and domestic flights linking each region.
