

nile-cruise-aswan-luxor-3-days

The shortest real way to sail the Nile between two temple stops

From: 470 USD per person

Overview

For travelers with limited time who still want the Nile cruise experience, this 2-night sail from Aswan to Luxor covers Kom Ombo's double temple and Edfu's Temple of Horus, with full board and a private Egyptologist guide included throughout. It's a leaner version of our longer 4- and 5-day Nile cruise packages, built for travelers extending a Cairo or Hurghada trip rather than dedicating a full week to Upper Egypt.

Note that this shorter itinerary does not include the High Dam, Philae Temple or Abu Simbel in Aswan, nor Luxor's East and West Bank sites after disembarkation - those are available as separate add-ons if you'd like to extend your stay.
