

nile-cruise-aswan-to-luxor-abu-simbel-4-days

Abu Simbel at dawn, then three nights drifting down the Nile to Luxor

From: 429 USD per person

Overview

A compact way to see the best of Upper Egypt without a long trip: this 4-day, 3-night itinerary opens with the colossal rock temples of Abu Simbel, then settles you onto a Nile cruise ship for the classic sail north from Aswan to Luxor. Along the way you'll stop at the temples of Kom Ombo and Edfu, both a short walk or horse-carriage ride from the riverbank, before finishing among the great monuments of Luxor itself.

Your cabin, all meals aboard, and a private Egyptologist guide are included throughout, so the only planning left to you is deciding how long to linger on deck watching the riverbanks go by.
