Our longest single itinerary - nothing in Egypt left out

From: 1475 USD per person

Overview

At 13 days, this is our most complete Egypt itinerary: Cairo's monuments, an overnight sleeper train to Aswan, a 3-night Nile cruise with Abu Simbel and a hot air balloon over Luxor, four full nights in Hurghada with snorkeling and a desert safari, and a closing day trip to Alexandria before flying home. It's built for travelers with the time to see Egypt properly in one visit, moving overland by train and coach rather than a string of short flights.

Nights on land are spent in boutique guesthouses in Cairo and Hurghada - modest outside, comfortable and characterful inside - with an expert Egyptologist guide throughout.
